THINK BEYOND THE OBVIOUS.

A man with grey hair and a beard, wearing a dark jacket, stands in a modern, minimalist interior. He is looking slightly to the side with a thoughtful expression. The background features clean lines and a bright, airy atmosphere.

S4 Jackets understands fashion as part of a principle: concentration on the essential, masculine, on function and texture - and that with the brand's characteristic sporty casualness.

The S4 formula is timeless – as is the look of today's urban man: self-confident, stylish, smart and sporty.

pure — understatement

Spring/Summer 2021 also defines S4 Jackets urban style and demand - as usual sovereign and with worldly elegance without airs and graces. The focus is on a look that suits the maker, inspired by the metropolis. Incorruptible in quality and design, without chichi, without compromise.
