The fall/winter 2025 Benvenuto collection embodies our motto 'Dolce Vita dal giorno alla notte'. We celebrate Italian sense of life and lifestyle, inspired by the opportunity to enjoy every moment in style.

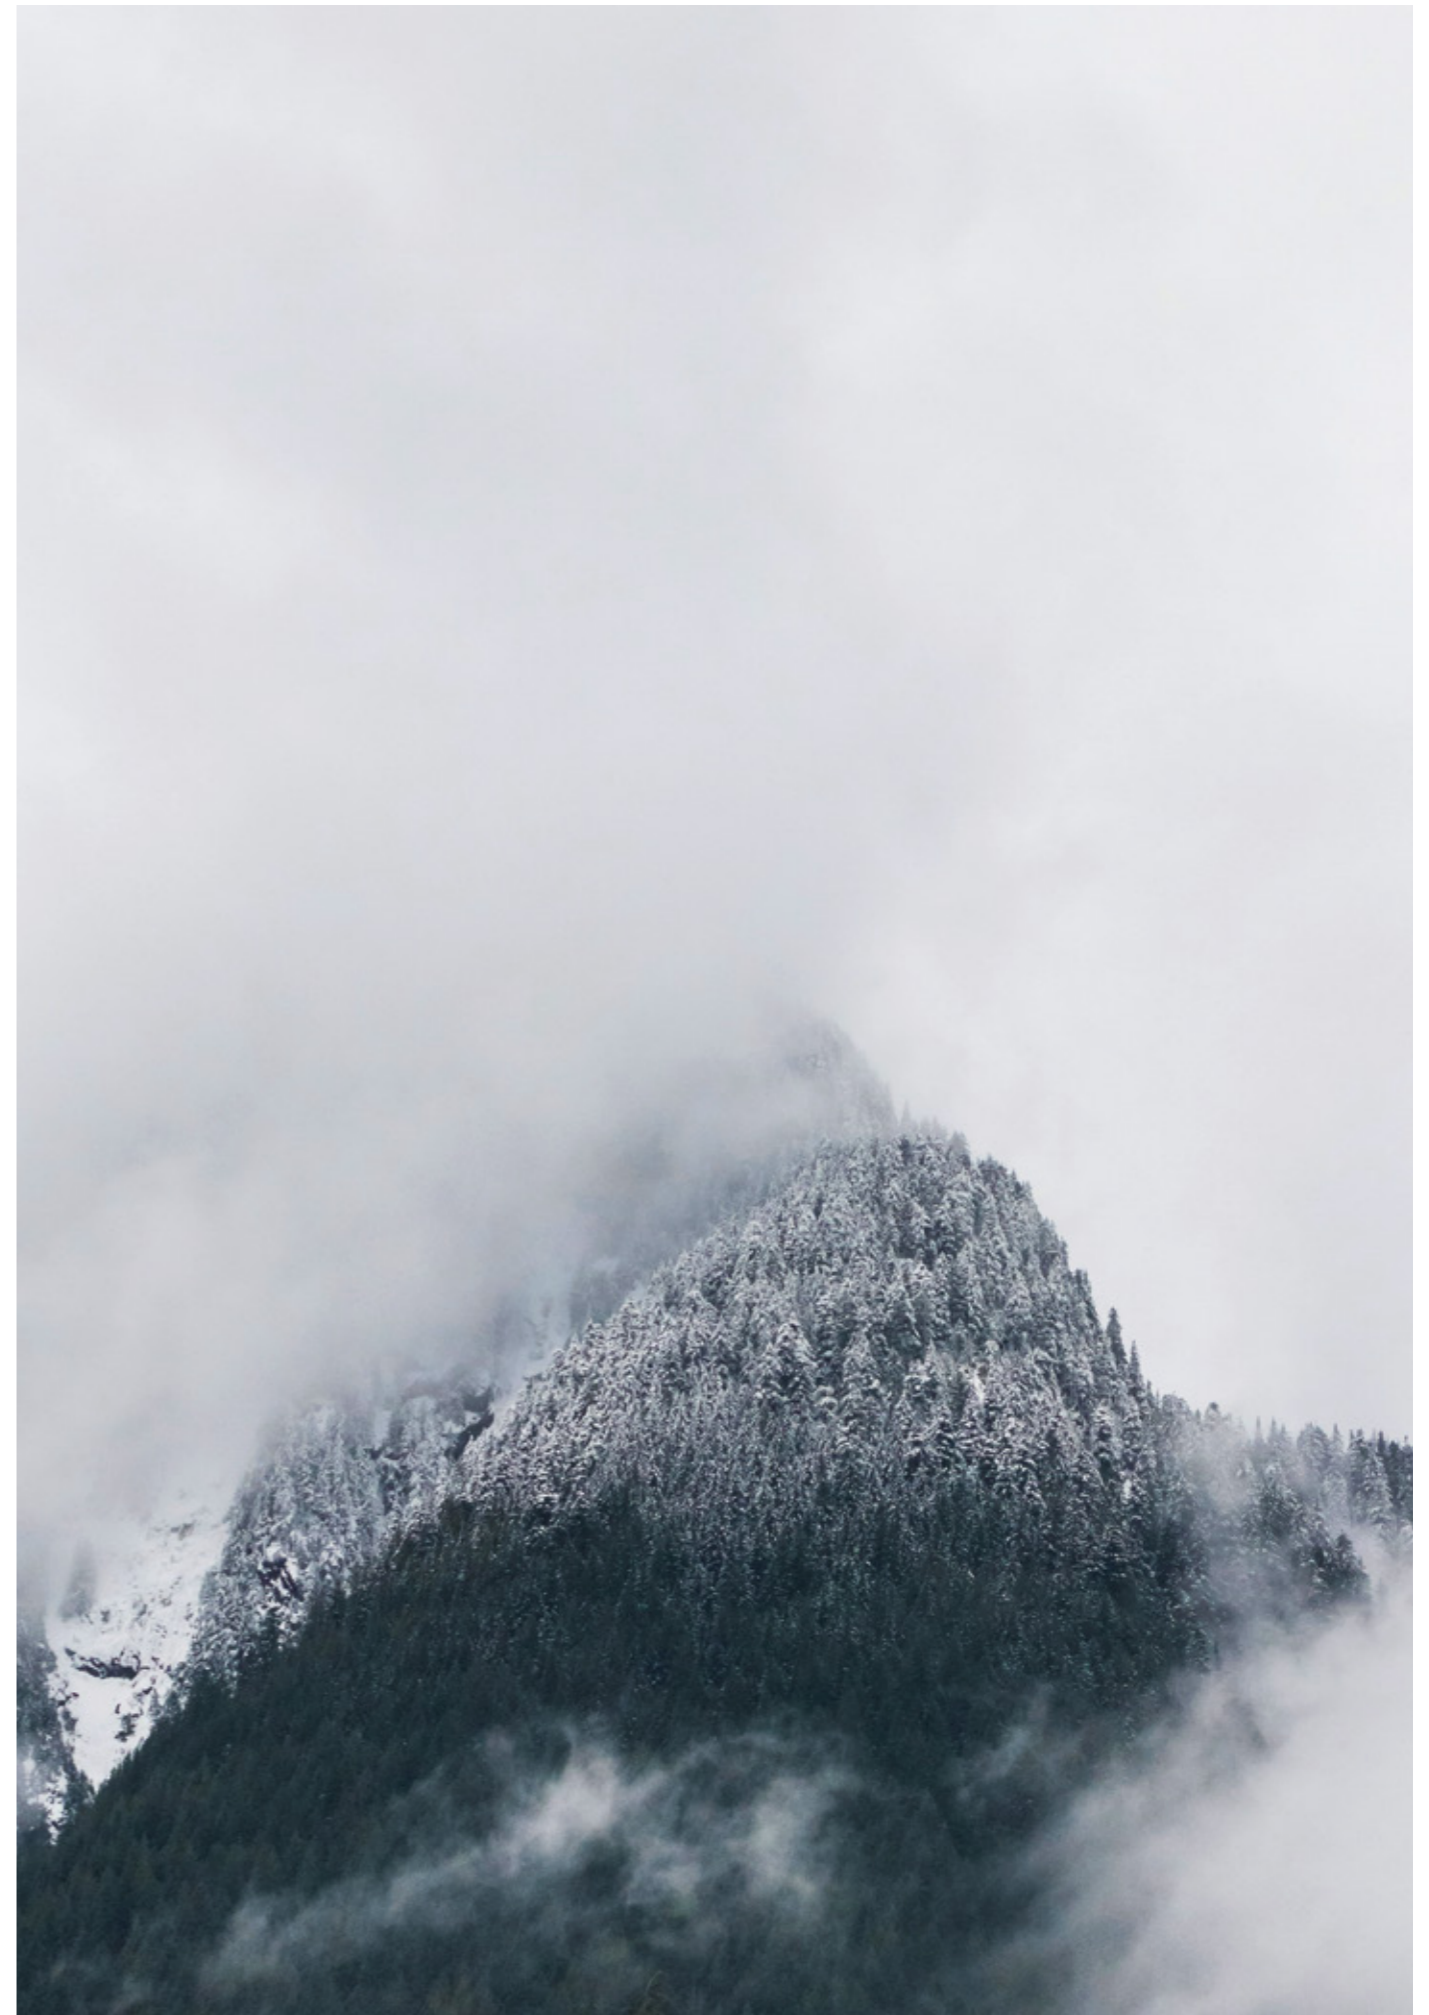

From a morning espresso to an elegant dinner. With a harmonious blend of smart casual, lightness and functionality, the collection captures the inimitable charm of Italy. The focus is on sophisticated materials, timeless designs and mediterranean colours.

This season's cuts are inspired by Italian tailoring and offer a perfect balance between elegance, smart casual and sportiness. Our winter colours add a warm and luxurious touch to the collection, perfect for the coolest months of the year. Elegant tones that reflect the Italian way of life, combined with modern, clean lines.
